SG yder fuld garanti på alle dåser og rammer, uanset som de benyttes i kombination med afbrydere, stikkontakter, data/multimediale udtag, USB udtag, blænd dæksler m.m. fra SG Install serien eller der benyttes enheder fra andre producenter.

Jf. gældende lovgivning og krav er installationen fuld lovlig selvom man mixer produkter fra flere producenter.

Det er det enkelte produkt som skal være godkendt, og ikke den samlede installation.

Alle SG Install produkterne er med fuld godkendelse og fuld garanti, uanset om de sidder i kombination med produkter fra andre producenter
